

GROOMING MOWER

SALIENT FEATURES

- Strong 3 point linkage suitable for cat I and cat II tractors
- Rollover wheel to avoid damages and extra support
- 3 equidistant blades with high tip speed for even cut

GROOMING MOWER

Solis Grooming mower is the perfect machine to provide evenly cut grass in lawn. It can be easily rear mounted on the tractor & the 4 pivoting wheels help to provide finished cut by following the contours of the ground. The belt transmission with three equidistant high quality blades helps to provide excellent cut by working close to the ground.

TECHNICAL SPECIFICATIONS
