

ROTAVATOR

XTRA MEDIUM SERIES

BENEFITS AND ADVANTAGES

- International quality boron steel blades
- High tensile fasteners
- Flexible spring damper assembly
- Heavy duty gear box
- Ensures smooth operation in different soil types
- Provides ease of working in interculture operations
- Effective for puddling due to better churning of soil

ROTAVATOR XTRA MEDIUM SERIES

Sonalika Xtra Medium (XM) series Rotary Tiller mingles best with tractor HP range between 30-50 HP. The rugged 3 point linkage along with hitch plates enhances the overall strength of the machine. This small beast comes with mechanical seals to work perfectly in wet soil conditions.
